

Healthy AND Delicious!!

- This is a well known, trusted brand that now has an meat snack item suitable for the candy slot.
- These items are unique to vending consumer, a protein snack that unlike jerky, is soft and tender
- Johnsonville Deli Bites are shelf stable and made with whole muscle meat, no fillers, and naturally smoked.

Fresh Baked Taste!!

As soon as you open a package you will think our muffins are fresh from the oven. Each muffin is a moist, cake-like muffin with distinct flavors and aromas. Look forward to Wild Maine blueberries bursting with flavor, banana nut muffins with walnut inclusions inside and on top and chocolate chocolate chip muffins made with real cocoa powder and semi-sweet chocolate chips...you will taste the difference.

Your customers will love the taste, you will love the price.

HOT DEAL!! \$.02 off per unit during February when using this booking form.
