## What is it?:

*Vending A' la Carte is a collection of great frozen items from different manufacturers that will complement your core sandwich program.*

## It is designed to:

- Consolidate great frozen items into an easy to read guide.
- Provide adequate item information to help you plan your frozen menu.
- Help visualize the products that you may not be familiar with by providing product images.
- Provide month-to-month and quarterly information about item availability and promotions.

# Vending A'la Carte Order Guide

## Here's How it Works:

**Step 1:** Browse items which are of interest to you

**Step 2 (optional):** View a picture and detailed description of the item by clicking on its link within the "Item" column

**Step 3:** Determine whether the item will be in stock for the next two months by viewing the last two columns on the right (see Vending A'la Carte Key on the right of this slide for reference)

**Step 4:** Place your order with your VISTAR representative as you would with the VISTAR order guide
