FIRST STREET *Café*

Your Table Is Always Ready

Carefully selected artisan breads, premium sliced meats, and natural cheeses layered by hand will deliver a savory café experience to your customers palate. Our mouth watering Multi-grain baguette is topped with fresh oats adding texture, and flavor. The Asiago Cheese roll is topped with shredded Asiago adding a flavorful crunch to this delicious bread. Our flats are wholesome with rolled oat and multi-grain fresh breads. Each sandwich is filled with appetizing, whole muscle quality meats and all natural Provolone, Monterey Jack or Cheddar cheeses. This combination of fine meats and cheeses with upscale bakery style breads gives your customer the true taste and feel of being at a local café.
