Return Policy

- At the time of delivery, the driver and customer will count the product. Any discrepancy should be noted at the time of check-in and the driver will write up a Request For Adjustment (RFA).
- In the event the customer was unavailable to check in their delivery, the customer should call the office within **24 hours** with any discrepancy. Returns **MUST** be picked up with your next delivery. All returns are subject to approval based on product dating and the condition of the product. All discrepancies are subject to approval/verification by inventory control and management once delivery is signed for.
- To ensure the best product quality for our customers and due to Federal HACCP guidelines, Vistar Corporation cannot accept returns for special order items, frozen, refrigerated, equipment, or pastry product.
- After any discrepancy is written up, the signed invoice indicates that the invoice is correct. Any dispute of a signed invoice may result in a credit denial.
- Please provide the invoice number, item number, quantity, and a description of the request. The credit will be subject to verification by inventory control. All credit requests are preferred in email form.
- Our driver will pick up the product only with a pre-approved pick-up request. If the product is not in its original case or in the stated condition, our driver has the right to refuse pickup. Once the items have been returned, the pick-up ticket will serve as a Request for Adjustment and will be reviewed and processed for credit according to the distribution center's normal procedures.
- VISTAR Corporation will not accept chip returns from previous deliveries.
- All returns are subject to a 15% re-stocking fee.
- Any questions or concerns on the policy should be directed to your Customer Service Representative. The VISTAR Corporation Product Return Policy is available upon request.

In an effort to merchandise to our local markets, the advertising products may be division-specific. Please check with your Account Executive or Customer Service Representative regarding availability.

*The "Click Here to Order" button will only redirect you to the new Customer First platform. For more details or questions, please contact your Customer Service Representative.

Dear Valued Customer,

As we all know, fuel prices fluctuate from time to time based on market conditions. Although Vistar factors certain transportation costs into the price of its products, Vistar has implemented a fuel surcharge program to address the volatility in fuel prices. This Notice explains Vistar's assessment of fuel surcharges pursuant to its fuel surcharge program. Note, this policy may not apply to customers that are subject to other business or commercial terms with Vistar.

Effective September 1, 2019, Vistar implemented a fuel surcharge program for each invoice. The fuel surcharge will continue to be based upon diesel prices published by the EIA and the specific terms of the policy will apply as described below. These charges apply to all deliveries made on or after September 1, 2019.

The fuel surcharge amount will be applied to each invoice based upon the below Vistar Fuel Surcharge Grid ("Grid"). The Grid will be updated on a monthly basis by determining the weekly average on-highway diesel price for your region published by the EIA on the last Tuesday of the prior month, i.e. the September per invoice fuel surcharge amounts shown on the Grid will be set based upon the EIA weekly index as of the last Tuesday in August. To monitor diesel fuel prices in your region, simply visit the EIA website at:

https://www.eia.gov/dnav/pet/pet_pri_gnd_a_epd2d_pte_dpgal_w.htm.

By way of example using the Grid, if the weekly average on-highway price of diesel fuel published by the EIA was less than \$2.00 per gallon in your region on the last Tuesday of the prior month, no fuel surcharge will be applied during the current month. If the average on-highway price of diesel fuel published by the EIA is \$2.00 or more per gallon in your region on the last Tuesday of the prior month, Vistar will apply the corresponding fuel surcharge per invoice amount shown in the Grid for each delivery that month. For every \$0.25 increase over \$2.00 per gallon, the monthly per delivery fuel surcharge increases by \$0.50 per invoice. For example, if the EIA published an average weekly on-highway diesel price in your region of between \$4.25 and \$4.49 on the last Tuesday of the prior month, Vistar will apply a fuel surcharge of \$14.50 per invoice for each delivery during that month.

For transparency, the fuel surcharge, when applicable, will be shown as a separate line-item charge to your invoice. The fuel surcharge amounts on the Grid are calculated using the EIA on-highway diesel price index and not Vistar's actual fuel expenses, and the fuel surcharge is not a separate tax or fee required by any governmental agency or entity.

Please contact your Vistar Representative if you have any questions regarding our fuel surcharge program or which EIA region is applicable to you. Thank you for your continued business as a valued Vistar customer.

Sincerely,
